COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

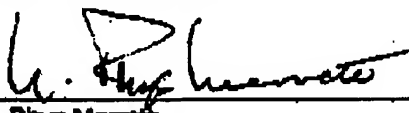

Sir:

In response to the Examiner's Reasons for Allowance included in the Notice of Allowance mailed March 9, 2006, the following comments are submitted for entry into the record.

The Examiner refers to allowance of claims 1-5 and 7-30 and then refers, in an ambiguous manner, to features stated to be present in unidentified claims using language that paraphrases claim recitations. Applicant respectfully observes that each allowed independent claim is patentable over the prior art by reason of the combination of features as recited in that particular claim.

Respectfully submitted,
